# HP Colour LaserJet Managed MFP

# E877 Series

HP A3 MFPs named Line of the Year for 2023 from Keypoint Intelligence

#### Unleash peak productivity.

# Next-generation HP Flow technology

Businesses grow and evolve. And so should your MFP. The next generation of HP Flow technology makes that possible. Its cloudbased software provides flexible, customised cloud-connected solutions to optimise your print and scan workflows – today and as they change in the future.

Work with the future in mind with upgradeable HP FutureSmart firmware<sup>1</sup>

300 ipm duplex scan technology, experience a scanning speed like no other<sup>2</sup>

Reverse and Retry technology automatically detects and resolves double-feed issues in ADF

Fast and accurate OCR, even faster with the optional Workflow Accelerator Card<sup>3</sup>

Improve workflow and productivity with enhanced Flow features

- Scan to multiple destinations
- Digital editing directly from the MFP control panel
- Just "load and go" with autosensing features

Maximise performance.

Accelerate your print and scan workflows to maximise business productivity.
The result: more time for your core business and less time waiting for prints and scans.

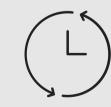

Tackle anything with our powerful CPU. Maximise your productivity and increase your overall print performance by copying, scanning and printing documents of all sizes at virtually full speed.

Get time back with industry-leading print speeds up to 70 ppm.<sup>4</sup>

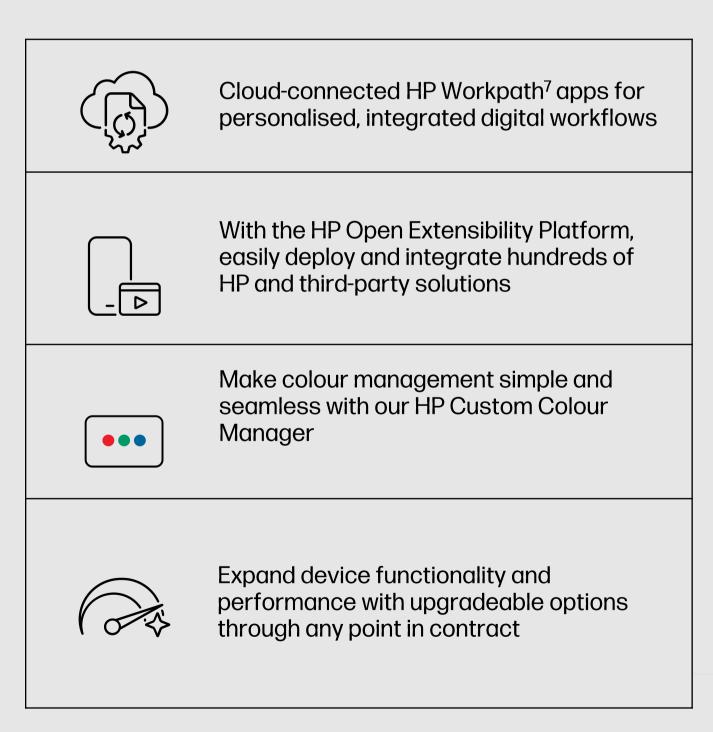

50 sec faster boot time,<sup>5</sup> 40% faster sleep FCOT<sup>6</sup>

Customisable solutions built to last.

Tailored on-device and cloudconnected solutions to help optimise your workflows with flexibility to support your workforce today and evolve to meet your demands for tomorrow.

### Always on guard with HP Wolf Security.8

HP Wolf Enterprise Security provides the world's most secure printing<sup>9</sup> through industry-leading multilayer, self-healing security that protects, detects and adapts to new threats.

200+ embedded security features<sup>10</sup>

HP Sure Start - Critical operating code (BIOS) is automatically checked during startup and repairs itself if compromised

Run-time intrusion detection – Common Criteria certified<sup>11</sup> to continually monitor memory activity to detect and stop attacks in real time

HP Connection Inspector – Outgoing network connections are inspected to stop suspicious requests and thwart malware

HP Memory Shield<sup>™</sup> is an embedded security feature that helps prevent a wide variety of malware attacks from redirecting the execution flow of a program

Whitelisting – Firmware is automatically checked during startup to determine if it's authentic code – digitally signed by HP

### Designed for impact.

Printing has never looked better. Out of the print room and into the office, experience printing redesigned for the modern workplace.

Match any office décor and unleash your creativity with modern designs and the option of five optional colour panels

All new 10.1-inch (25.6 cm) colour touchscreen display with industry-leading WXGA resolution at 1,280 x 800 dpi

Full-sized keyboard (Flow models only)

Right door access to the print path

Better printing, for a better planet.

Save resources with our energy-efficient printing that meets EPEAT Gold, Blue Angel and Energy Star<sup>12</sup> standards, supporting HP's goal of carbon neutrality and a fully sustainable economy.

Supports zero deforestation, the fibrebased packaging is 100% sustainably sourced, meaning it's made from recycled or certified content<sup>13</sup>

Designed to eliminate waste, with energyefficient printing and toner cartridges made from more than 59% recycled plastic<sup>14</sup>

Use HP Pull/Pin printing solutions and duplex print as the default<sup>15</sup> setting to conserve paper wherever possible

HP Planet Partners<sup>16</sup> provides a convenient way to recycle HP IT hardware and supplies after their use

#### Original HP supplies

Original HP Toner produces crisp black text, vivid colour graphics and impressive marketing materials

Designed to reduce waste with more than 59% recycled cartridge content<sup>17</sup> and 90% recycled packaging content.

Original HP Cartridges help meet stringent Blue Angel requirements for the whole printing system.<sup>18</sup>

Save 10–13% energy while printing compared to previous HP printers with efficient Original HP Toner.<sup>19</sup>

Help protect your printer from malicious code and maintain the integrity of your data with tamper-resistant chips, firmware and packaging.<sup>20</sup>

Optional half-yield toner is ideal for lower consumption environments. High-yield service parts extend service and maintenance intervals for large office printing and copying.

#### Product walkaround: Flow MFP E877z shown

Hardware Integration Pocket (for connecting accessories and third-party devices)<sup>21</sup>

Flatbed scanner handles sheets up to 11x17 inches (297x432 mm)

500-sheet output bin

Automatic two-sided printing

Easy-access USB port

Front door access to toner cartridges

HP High-Performance Secure Hard Disk

Slot for cable-type security lock Super Speed USB 3.0 host port Hi-Speed USB 2.0 Host Port Gigabit Ethernet Port Super Speed 3.0 device port

520-sheet tray 3 supports media sizes up to A3 (11x17 inches)

300-sheet dual side ADF supports media sizes up to A3 (11x17-inch) (Flow models only)

10.1-inch colour touchscreen display (25.6 cm)

Power button

Full-sized keyboard (Flow models only)

Right door access to the print path

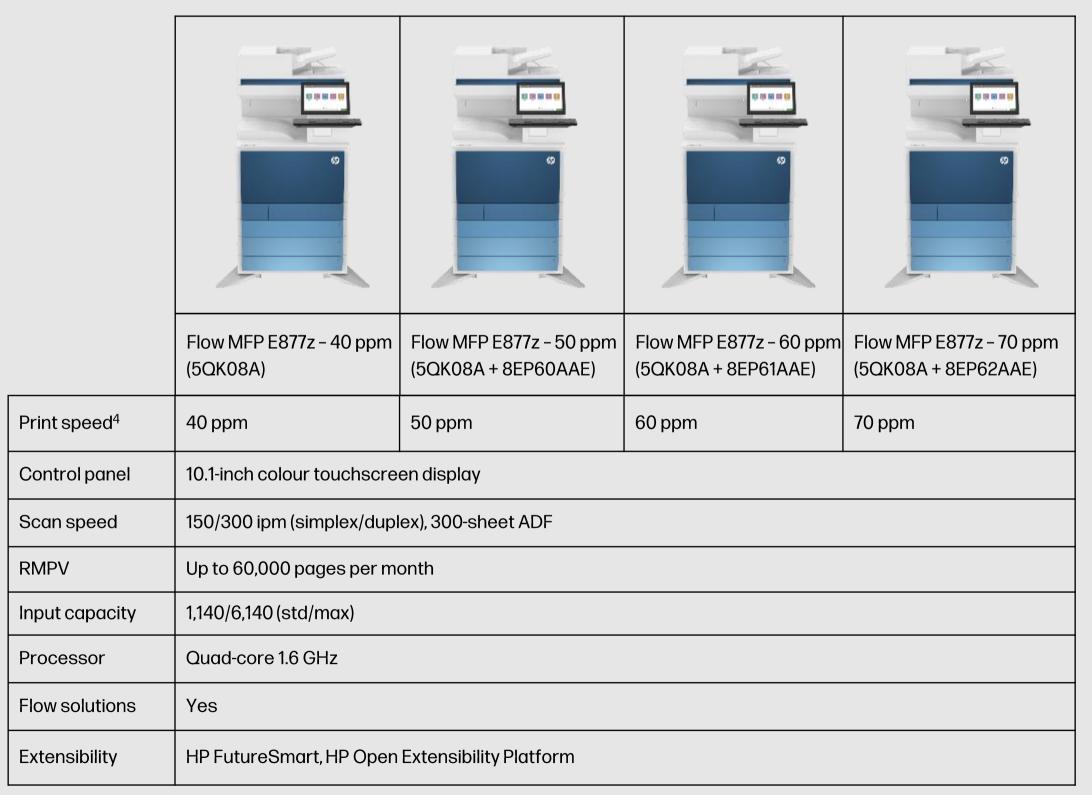

100-sheet multipurpose tray 1 supports media sizes up to A3 (11x17 inches)

520-sheet tray 2 supports media sizes up to A4 (Letter)

Optional 2 x 520-sheet dual tray/stand supports media sizes up to A3 (11x17 inches)

#### E877 - Worldwide\*

MFP E877dn - 40 ppm (5QK03A)	MFP E877dn - 50 ppm (5QK03A + 8EP60AAE)	MFP E877dn - 60 ppm (5QK03A + 8EP61AAE)	MFP E877dn - 70 ppm (5QK03A + 8EP62AAE)				
40 ppm	50 ppm	60 ppm	70 ppm				
10.1-inch colour touchscreen display							
90/180 ipm (simplex/duplex), 200-sheet ADF							
Up to 60,000 pages per month							
1,140/6,140 (std/max)							
Quad-core 1.6 GHz							
No							
HP FutureSmart, HP Open Extensibility Platform							

<sup>\*</sup> Excludes Russia and China

### Generation to generation - innovations and improvements

E876/E825 series (2017)	Features	E877/E826 series (2022)	
Print up to 60 ppm <sup>3</sup>	Print speed	Print up to 70 ppm <sup>3</sup>	
Scan up to 240 ipm <sup>1</sup>	Scan speed	Scan up to 300 ipm <sup>1</sup>	
8-inch colour touchscreen	Control panel	10.1-inch colour touchscreen display	
-	Design	New design with different colour panels	
Dual 1.2 GHz	Processor	Quad 1.6 GHz + optional Dual 1.4 GHz	
20.5 sec sleep FCOT 150 sec boot time	Performance spec	11.8 sec sleep FCOT (40%↓) 100 sec boot time (50 sec↓)	
Flow solutions	Flow solutions	All existing Flow solutions, plus  • Reverse and Retry technology  • Scan to multi-destination • Faster OCR speed	
EPEAT Silver, Energy Star, Blue Angel	ECO Label	EPEAT Gold, Energy Star 3.0, Blue Angel <sup>7</sup>	
E876: 160K/145K E825: 396K	Drum yield (Mono/Colour)	E877: 300K/240K E826: 600K	
-	Cartridge feature	Cartridge Access Control (Lock toner cartridge)	
No	HP Flex Build	Yes, for Partners	
No	Speed licensing	Upgradable speed licence	

### Paper handling accessories

Stand (6GW53A)	2x520-sheet paper tray/stand (6GW47A)	2,000-sheet high-capacity paper tray/stand (6GW57A)	3,000-sheet high-capacity paper tray/stand (6GW56A)	Inner finisher <sup>22</sup> (6GW49A)	Stapler/stacker (6GW55A)	Booklet finisher (6GW51A)	
	Two 520-sheet trays that support up to SRA3 (12 x 18 inches)	2,000-sheet high- capacity tray supports Letter (A4)	3,000-sheet high- capacity tray supports Letter (A4)	Staples up to 50 sheets Supports up to 60 ppm	Staples up to 65 sheets	Staples up to 65 sheets	
Required:	Required: Requirements vary by region; only one can be added at a time.  Exception: 3,000-sheet high-capacity tray/stand requires either 2x520-sheet tray/stand or 2,000-sheet high-capacity tray/stand.			One finisher accessory is recommended; only one can be added at a time.			
Input capacity: N/A	Tray 1: up to 520 sheets Tray 2: up to 520 sheets	Up to 2,000 sheets	Up to 3,000 sheets	Top tray: up to 50 sheets Main (finishing) tray: up to 500 sheets	Top tray: up to 250 sheets Main (finishing) tray: up to 3,000 sheets	Top tray: up to 250 sheets Main (finishing) tray: up to 2,000 sheets Booklet tray: up to 5 sets of 25 sheets each	

#### Disclaimers and trademarks

#### Legal footnotes

- 1. HP FutureSmart firmware: Some features enabled by future HP FutureSmart firmware upgrades may not be available on older devices if, for example, physical product characteristics limit the functionality of the new feature.
- 2. Scan speeds: Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance and application software. Measured using standards found at: <a href="http://standards.iso.org/ittf/PubliclyAvailableStandards/SC28">http://standards.iso.org/ittf/PubliclyAvailableStandards/SC28</a> Test Pages/\
- 3. Workflow accelerator card: Note Accelerator Card, 6HN30A, will be available in January 2023
- 4. Printing speeds measured using ISO/IEC 24734; exclude first set of test documents. For more information, see <a href="http://www.hp.com/go/printerclaims">http://www.hp.com/go/printerclaims</a>. Exact speed varies depending on the system configuration, software application, driver and document complexity.
- 5. 50 sec faster boot time: Testing completed on HP LaserJet Managed E800 and E700 series generation over generation devices. First generation over 150 seconds compared to second generation under 100 seconds and UI ready in 79 seconds (based on HP internal test).
- 6. 40% faster sleep FCOT: Testing completed on HP LaserJet Managed E800 and E700 series generation over generation devices. First generation at 20 sec as compared to second generation 12–11 sec, based on E800 comparison. (Colour 60 ppm based on HP internal test).
- 7. HP Workpath: Based on HP review of competitive manufacturer's published app platform specifications as of April 2019. Only HP Workpath offers a combination of app validation upon submission plus automated revalidation of apps. To enable HP Workpath, some devices may require optional accessory or firmware upgrade. Subscription may be required.
- 8. HP Security is now HP Wolf Security. Security features vary by platform; please see product data sheet for details.
- 9. HP's most advanced embedded security features are available on HP Managed and Enterprise devices with HP FutureSmart firmware 4.5 or above. Claim based on HP review of 2021 published features of competitive in-class printers. Only HP offers a combination of security features to automatically detect, stop and recover from attacks with a self-healing reboot, in line with NIST SP 800-193 Guidelines for device cyber resiliency. For a list of compatible products, visit <a href="https://hp.com/go/PrintersThatProtect">hp.com/go/PrintersThatProtect</a>. For more information, visit <a href="https://hp.com/go/PrinterSecurityClaims">hp.com/go/PrinterSecurityClaims</a>.
- 10. 200+ embedded security features. Some features require additional purchase. A FutureSmart service pack update may be required to activate security features. Learn more at <a href="https://proceedings.ncb//>hp.com/go/printsecurity">hp.com/go/printsecurity</a>.

- 11. Common Criteria certification: Third-party certification based on Common Criteria Information Technology Security Evaluation ISO/IEC 15408 Standard requirements as of May 2019–2024. Certification applicable to HP Managed and Enterprise devices running HP FutureSmart Firmware version 4.5.1 and later. For more information, read: <a href="https://www.commoncriteriaportal.org/files/epfiles/Certification%20Report%20-%20HP%20Intrusion%20Detection.pdf">https://www.commoncriteriaportal.org/files/epfiles/Certification%20Report%20-%20HP%20Intrusion%20Detection.pdf</a>
- 12. EPEAT Gold, Blue Angel and Energy Star: HP voluntarily designs and tests its printing systems to prevent emissions that exceed Blue Angel and EPEAT eco-label guidelines.
- 13. Supporting Zero Deforestation: 100% outer fibre-based packaging and internal fibre-based cushions made from sustainably sourced certified and recycled fibres.
- 14. Recycled Content: 100% of Original HP Toner Cartridges contain 1–77% post-consumer or post-industrial recycled content. Does not include toner bottles or other products not listed. See <a href="hp.com/go/TonerRecycledContent">hp.com/go/TonerRecycledContent</a> for list. Hardware based: Post-consumer recycled is based on the definition set in the EPEAT standard for imaging equipment, IEEE 1680.2, and is expressed as percentage of the total plastic weight.
- 15. Duplex by default: Dependent upon country setup specifications.
- Availability of HP Planet Partners Programme varies. Visit <u>hp.com/hprecycle</u> for more information.
- 17. See <a href="hp.com/TonerRecycledContent">hp.com/TonerRecycledContent</a> for a list of individual supply percentages for the Original HP Toner supply use of recycled content.
- 18. A printing system consists of HP printer, paper and toner/ink supply. Blue Angel DE-UZ 219 emissions criteria or earlier versions of criteria applicable when printing system launched.
- 19. HP calculations based on ENERGY STAR® normalised TEC data comparing HP LaserJet Managed MFP E826 series to HP LaserJet Managed MFP E82500 series.
- 20. HP office-class printing systems are select Enterprise and Managed devices with FutureSmart firmware 4.5 and up, Pro devices, LaserJet models 200 and up, with respective Original HP Toner, PageWide and ink cartridges. Does not include HP integrated printhead cartridges. Digital supply-chain tracking, hardware, chips and packaging security features vary locally by SKU. See hp.com/cartridgesecurity.
- 21. Hardware Integration Pocket Solutions deployed through the Hardware Integration Pocket (HIP) may require additional purchase.
- 22. Inner finisher is not compatible with 70 ppm
